### **Additional Information and Resources**

**King County Budget Information**

<http://www.kingcounty.gov/exec/PSB/Budget/2015-2016.aspx>

**King County Career Service Workforce Management Manual**

The Workforce Management Manual is a resource guide for managers, supervisors and human resources professionals. It provides guidance in responding effectively to workforce reductions during periods of lack of work, lack of funds, or due to considerations of efficiency. It also provides guidance in administering the principles and procedures of the layoff and recall process.
